

Cancellation Policy

The time we schedule for you is reserved exclusively for you. We therefore request **24 hours notice for cancellation of a hygiene appointment and 48 hours notice for a cancellation of an appointment with Dr. Rule.** When we do not receive a call with adequate time to change an appointment or a patient does not show up, it limits our ability to offer other patients a prime time appointment for necessary treatment. **Due to this office being closed on Fridays we request any cancellations for Monday appointments on or before Thursday at noon.**

There is a fee of \$75.00 for Hygiene broken appointments and \$200.00 for a broken appointment with Dr. Rule.
